Accident Happened During Presidency When He Boxed

around Oyster Hay is entirely too tame tear the tusks from an elephant or pit himself against the tender mercles of a real trainer of men, and then he comes back refreshed and tells people about the smile. It does him so much good. Well, that's what he has been doing during the last two weeks up at Jack Cooper's rest farm near Stamford, Conn., and he received the representatives of and he received the representatives. and he received the representatives of a waiting world yesterday and told them what a fine time he had had. Jack what a fine time he had had. Jack Cooper is the kimi of person, according to the Colonel, who can take a blue blooded hypochondriac of morbid ten-

ment I will say that I am feeling well."

His Wind Is Good.

That was very evident. After a puffing army of contemporaneous historians and admirers had followed him around the half mile track of country path which winds up and down and through an interesting cabbage patch and all out of breath had watched Col. Roosevelt steam into the gymnasium to show the place where clergymen and prisefishers and ex-Presidents are worked into condition to go out and resume their failty eccupations one was inclined to believe that the Colonel was feeling very well indeed. He didn't even take a long breath and he posed for his picture swift times without minding it a bit. He has lost a pound a day for fourteen days, and when he comes back he intends to jump into the municipal cambagn and take off a few more making. teen days, and when he comes back he intends to jump into the municipal campaign and take off a few more making two or three speeches for John Pulroy Miccel, who was in the little circle that started around the running track in the wake of the only Teddy. But the Mayor showed that campaigning is even more strenuous than training, for he quit at the quarter mile mark and went back to Strenuous than training, for he quit at the quarter mile mark and went back to New York to take another fling at Judge

The Colonel hasn't wrestled or chopped everything else in the way of training, and in connection with boxing to made public something which mighty for persons know about. Shifting Bombardment Gives Increasing Signs that Balkan No Indication of Where Haig Will Strike.

London, Oct. 21 .- The shifting artilblooded hypochondriac of morbid tendencies and with a few twists of his dencies and with a few twists of his decrease when him into a red blooded fire eater who thinks he can lick the whole German army.

It was noticeable yesterday that the Colonel hadn't forgotten about his division which he wished to take to France. When he concluded the interview he said with a rising inflection:

"I don't think any of you nee! ask how I am, but if you need any enlighten."

The Shoon, Oct. 21.—The shifting artillery bombardment on the western front, rising to the maximum first here and then there, seems to have set the Germans ail along the front guessing as to the next point of attack. To increase their confusion, the British added a naval bombardment of Ostend, the German submarine base on the North Sea, and an aerial raid on Bruges, where the British flyers dropped large quantities of bombs on the docks. The Engel air-"I don't think any of you need ask bow I am, but If you need any enlightenment I will say that I am feeling well."

Monarchy Wearies of Bargain in War.

Special Despatch to Tue Sex. WASHINGTON, Oct. 21 .- Signs that Bulgaria is becoming lukewarm in its allegiance to Germany and is steadily assuming a more recipient attitude toward suggestions from the Entente are becoming more pronounced, according to Entente diplomats. Incidents which

fact that he was willing to comment at all may be significant. The absolute silence which the Bulgarian Legation has up to the present maintained shows how necessary has been the policy of caution, for any statement favorable to Germany would have aroused resentment here and any statement favorable in the slightest degree to America would have aroused resentment in Germany. But to-day Mr. Paneretoff's attitude seemed changed. When asked if reports were true that he had stated that Americans and Bulgarians never would face each other in the present war he

Americans and Bulgarians never would face each other in the present war he said:
"I cannot see how there will be any possibility of fighting between Americans and Bulgarians never would "Vigorous efforts will be made in every district between to-morrow morning and next Saturday noon to raise the \$5,000,000,000 total. The \$3,000,000,000

The possible importance of this incldent may be that it coincides with reports that the Bulgarian Minister at Stockholm and Ira Nelson Morris, the American Minister there, recently held a long conference at the American Legation. Coincident with this news come persistent reports that the Bulgarian persistent reports that the bulken leaders were growing more and more distrustful of German war alms and more and more suspicious concerning the German Kaiser's willingness to the Bulkerian assirations over-"throw Bulgarian aspirations over-board" when the time finally comes to

the war because neutrality became in-tolerable under existing conditions and it was necessary to go in with one group or the other. The Kaiser outbid the Entente for Bulgaria's assistance at time when German military hopes coked most promising. Crafty German diplomacy won at Sofia by means of extravagant promises, but the question has now arisen in the minds of Hulgarian statesmen as to whether these promises are to be the proverbial "scraps of paper." The whole trend of events, and not for Germany, and it would be

more to their advantage to win with the Entente and the United States than go down to defeat with Germany.

SUGAR WILL VANISH BY END OF THE WEEK to be selected later.

les of New York by the end of this week, different greater city will have to worry along with substitute sweetenings until about December, when every one will feel like going on a regular sweet tooth debauch Every day some one discovers a new place where it pinches. The addicts of the soda water habit awoke with a jerk yesterday when they were reminded that the foundation of soft drinks almost rithout exception is simple syrup, which in turn is made from the purest sugar. Having knocked the demon rum in the solar plexus, old man Mars now seems to be bent on making the soda water counters just as lonesome as the mahog-

U.S. TREASURY WARNS NATION ON LOAN TOTAL

Only \$2,000,000,000 Subscribed-No Returns Are Being Concealed.

due Optimism and Urged to Campaign Vigorously.

Special Desputch to THE SUN.
WASHINGTON, Oct. 21.—The Treasury Department issued a statement to-night designed to discourage undue optimism over the size of Liberty Loan subscriptions. The campaign will enter its last week to-morrow, the statement asserted. with subscriptions of only about \$2,000 .-000,000, or 40 per cent. of the hoped for maximum, notwithstanding reports of a nuch greater response.

"Ever since the latter part of the first

to Entente diplomats. Incidents which have occurred here and abroad within the last forty-eight hours give added importance to reports of Bulgarian dissatisfaction with her position as ally of the facts, and so far as is known at the Department they have done so. A striking example of the inaccuracy of some carried from a talk to-day which This Sun correspondent had with Stephan Panaretoff, the Bulgarian Minister. The fact that he was willing to comment at all may be significant. The absolute silence which the Bulgarian Legation.

"Committee chairmen throughout the country have been asked to base their estimates on what they know to be the facts, and so far as is known at the Department they have done so. A striking example of the inaccuracy of some view with have been sent broadcast was shown in the case of the Minneapolis district, where estimates of current sales were being published daily before the sale started there.

Summary of Situation.

"The situation to-night, therefore, according to the best information that the Department possesses, is that the sales to date are about \$1,000,000,000 short of the minimum and \$2,000,000,000 short of the maximum quota set for the country by Secretary McAdoo at the outset of the campaign. He insisted that \$3,000,000,000 in bonds be sold and it was his expressed hope that the \$5,000,000 would be reached.

"I cannot see how there will be any possibility of fighting between Americans and Bulgarians," at the same time making it clear that he had no objections to having this statement appear in print.

"As you know, Mr. Minister, there are interesting reports concerning Bulgaria's attitude at the present time. Can you add something to wnat you have said."

"Not at present," he replied. "I have been cut off from Sofia, as you know." give the Kalser and all other enemies of

this country more pleasure, it will be pointed out, than for the people of the United States to fail to subscribe a greater amount than this to the second Liberty Loan, when they have had only ne previous loan and virtually no cas "The general outlook for the sale is

good. Only two disturbing elements appear: the apathy of certain rural communities of the middle West and South. and overconfidence bred by unfounded

"Liberty Day, next Wednesday, doubt less will see a flood of subscriptions The country will celebrate that occa-sion, made a national holiday by Presision, made a national holiday by Presi-dent Wilson, as it has not celebrated a holiday in many years. Nor will all its enthusiasm go up in applause and speeches. It will be a sales day as well as a day of oratory and display. Committees in all the twelve districts of the country predict that the sales for that day will outstrip any other single day in the history of either the first or the second loan.

is said, indicates that they are.

"Liberty day speakers include former Bulgars are in the war for Bulgaria president Taft at Hartford, Conn.; former Vice-President Fairbanks at Kan sas City, Mo.; Speaker Clark at Okla-homa City, Secretary McAdoo at Atlanta, Secretary Baker at Boston, Secretary Daniels at Columbus, Ohio Attor-ncy-General Gregory at Philadelphia and Secretary Redfield at Baltimore. Will-

iam J. Bryan also will speak at places never will how our heads to force."

ing good progress.
"Recapitulation of sales made through different organizations of persons of foreign birth or extraction show that great numbers of so-called German American bodies, including many that supported the first loan, are striving hard to make the second loan a success.
